

VOLUME REBATE PROMO

Sell eligible Professional and Commercial Radios (PCR).
Earn a 1 – 3% credit from Motorola.

It's the *Volume Rebate Promo* — a new Channel Partner promotion from Motorola. And it's just that simple.

How It Works

Motorola will give you a purchase goal. If you meet that goal by July 3, 2009, you could score a 1 – 3% credit from Motorola.

- 100 – 109% earn 1% back
- 110 – 119% earn 2% back
- 120%+ earn 3% back

In addition to meeting your purchase goal, you must also purchase 10 MOTOTRBO Mobile and/or Portable radio units to receive your 1 – 3% credit.

The *Volume Rebate Promo* is retroactive to January 1, 2009. All eligible orders placed will count toward your purchase goal. All eligible orders must ship by July 3, 2009.

Tracking Your Progress

You can track your progress to goal online on the Motorola Dealer Rewards Scorecard. Look for the *Volume Rebate Promo* button in your left navigation.

We will also send you promotion updates via e-mail. To ensure you receive your progress updates, please verify that your email address on MOL is correct. Go to MOL > Settings > Preferences > General Settings.
